fashion is our attitude

"What's my style is not
your style, and I don't
see how you can define it.
It's something that
expresses who you
are in your own way."

fashion is our attitude

Fashion is part of the daily air
and it changes all the time,
with all the events.
You can even see the
approaching of a revolution
in clothes. You can see and
feel everything in clothes."
