*Style is the
only thing you
can't buy. It's
not in a shop-
ping bag, a
label or a price
tag. It's some-
thing reflected
from our soul to
the outside
world.*

is what
you're
offered four
times a

designers.
And style
is what
you choose.*

Attitude

Fashion you can buy but style you possess. The key to style is learning who you are, which takes years. There's no how-to road map to style. It's about self-expression and above all, attitude. Talking about lots of clothes.

*Style is a way
to say who you
are without
having to speak*

Religion

Fashion is a religion in one sense. Once upon a time, our brand was considered the sanatorium sanatorium of fashion. I want to produce things that people really want to buy.

Luxury

*Girls do not
dress for boys.
They dress for
themselves, and
of course, each
other. If girls
dressed for boys,
they'd just walk
around naked
at all times.*

D.NO:2406

The way I dress depends on how I feel. I never have to psych myself up. Usually it just feels like it works.

*What's my style...
is not your style...
and I don't see
how you can
define it. It's
something that
expresses who you
are in your
own way.*

fashionable

*Fashion is
about dressing
according to
what's fashion-
able. Style is
more about
being yourself.*

*You gotta have
style. It helps
you get down
the stairs. It
helps you get up
in the morning.
It's a way of life.
Without it,
you're nobody.
I'm not.*
