Every photographer across the world is flummoxed. Their capture a fraction of her beauty. Because her charm is so all encompassing, so man fleecing so profound... the most skilled photographers doll short. Most blame her Dress... which is glorious in every prospect, which complete her like nothing else can.

"Being well dressed hasn't much to do with having good clothes. It's a question of good balance and good common sense."

"Over the years I have learned that what is
important in a dress is the woman who's
wearing it."

"Fashion you can buy, but style you possess. The key to style is learning who you are, which takes years. There's no how-to road map to style. It's about self expression and,

2002 above all, attitude."
