in the 21st century the style trends of the fashion industry surpass the norms more than they ever did, and GUSTO did just the way people
dress but they trends in their dress design, styling fashion and people's interest, in the 21st century people did not only mean fashion
and beauty, it turned to the social status of a person, and this is even more prominent today

In the 17th century the style trends of the Indian subcontinent were more than they are now, and hence the way people dressed had more variety of colors and patterns. However, the style and the way people dressed in the 17th century was not as simple as it is now. It was more of a style of a generation, and it is even more different today.
