"Fashion is part of the way we live and it changes all the time, but it's the essence. You can wear it for a moment or for a lifetime. It's about the way you wear it and how it makes you feel."

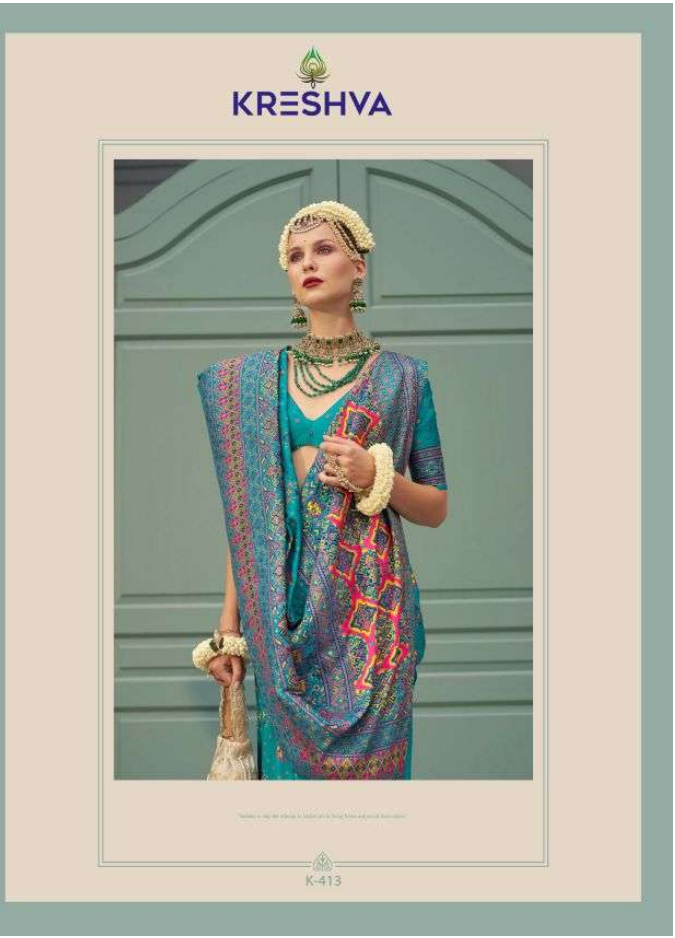

K-418

"Don't be too serious. Don't make fashion into job, but your fashion should give you what you want to express by the way you dress and the way to live."

"Don't be too easily hurt with bad comments, but
be happy that you are what you are and regard
the way you live and the way to live."

"When you wear it, how you present yourself is the magic, especially
a feeling which the fabric creates and we really try to bring in that magic."

"The perfect look for you
is not just about the clothes, but
the way you wear them."

"Fashion is part of the daily life and a change of the time, which is the
reason. The old ones are the signifying of a civilization in culture. The old
are still not willing to change."
