"Fashion is a part of the body, it is not a design of the line, it is of  
the mind. It is not only the appearance of a woman, it  
shows her soul and her personality."

"Fashion is part of the daily pursuit of change in the face, with all  
the means. For the time and the opportunity of a revolution in  
clothing, you can see and feel everything in motion."

BEAUTY**

"Beauty is part of the daily act and it changes all the time, with all the  
masks. But you need the opportunity of a moment in silence, the  
one you get that you change in silence."

  
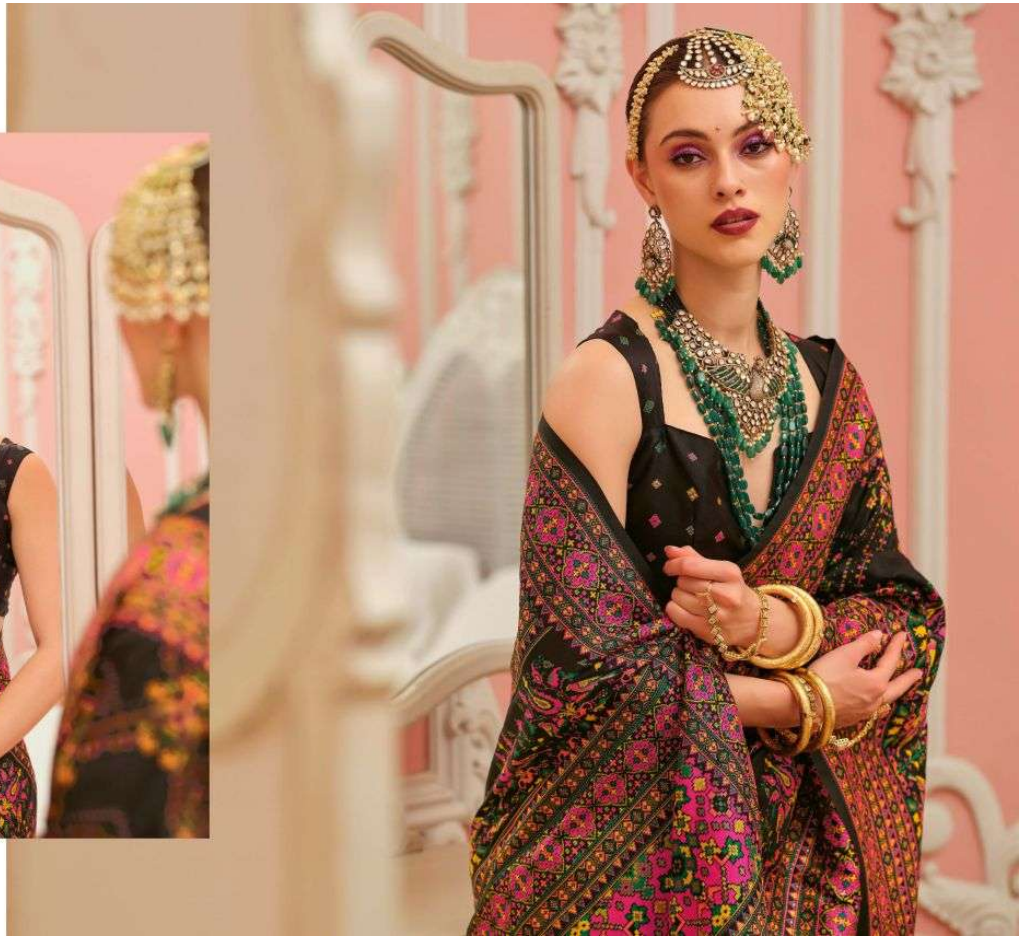

KRESHVA

  
"Fashion is part of the body, it is not a thought of the brain, and it is  
the most beautiful way of expressing a woman's  
individuality, her own and her own in the world."
