

Peher

1035

A woman with long, wavy brown hair is the central figure. She is wearing a bright yellow kurta with intricate floral embroidery in pink, white, and gold along the neckline and down the front. She is also wearing orange-tinted sunglasses and has her hand near her face. In her other hand, she holds a large bouquet of purple flowers. The background consists of white lace curtains with a butterfly pattern, set against a blurred outdoor scene.
