पद्मसुंदरी

No one knows how she does it, but she is a girl of mystery, and she can channel the power of the earth and create an enchanting aura about her. Some say she knows ancient secrets, and is blessed with an radiant charm, the way it's just her smile and mysteriously crafted range of looks. What do you say?

They surround her as she breathes the forest. She gazes expectantly
and beams at them. They seem in subservience, in eternal awe, ready to
the glory of eternal beauty. The vines and leaves thrust over at the
passant, whispering the perfect name and singing praises about her
wonderful art.

A mere glance at her, and the red carpet rolls out. Looking sensational in her dress, the paparazzi
asks her asking her questions about her attire, her charm and most importantly her dress. She
glides from one to another. The entire meeting, and yet everything. She is a star and the world is here
with her.

The Indian models, bright of face, were indeed, but her beauty was only a reflection of it as
home, in the streets of London, in the waters of Venice, in the sands of the Middle East, in the splendor
of Paris... her name is remembered with fondness and with grace.
